**Citrus Zestival at Sahuaro Ranch Park.** The Glendale Parks and Recreation Department's Citrus Zestival presented by Watermill Express celebrates Sahuaro Ranch Park's citrus heritage with citrus-related activities.

**Beardsley Connector Project.** A much-anticipated project to improve Loop 101 freeway access between 75th Avenue and Union Hills Drive, reduce bottlenecks at the Union Hills Drive interchange and improve regional freeway access in the Northwest Valley has begun.

The improvements include:

- Widening Union Hills Drive at the Loop 101 interchange to include an additional through lane in each direction to improve traffic flow
- Providing new freeway access at Beardsley Road by extending the roadway to connect with a new Loop 101 southbound frontage road, constructing a new u-turn on-ramp to northbound/eastbound Loop 101 and reconfiguring the interchange ramps at 75th Avenue and Union Hills Drive to provide new combined southbound on-ramps and off-ramps with Beardsley Road

Completion of all improvements is anticipated in late 2011, though major elements of the project will be open to traffic between fall 2010 and mid-2011.

Ongoing Restrictions

Left turns from eastbound Union Hills Drive to northbound Loop 101 will be restricted to one turn lane through late 2010 for interchange improvements.

Brown St., to get free extra help with homework from teachers at Sahuaro Ranch Elementary School and students taking part in the Future Teachers Academy at Ironwood High School.

Tutors can assist with reading, writing and other topics. For more information, call Glendale Main Library Youth Desk at (623) 930-3537.
